THE HOST AND HOSTESS, Colonel and Mrs. Harrison Brent join Mr. and Mrs. Charles Foster as they celebrated their silver wedding anniversary Sunday, November 13. Mr. and Mrs. Foster have been local residents for many years.

Fosters Celebrate 25th Anniversary

Mr. and Mrs. Charles Foster of 321 E. Montecito, were honored on Sunday evening November 13, on the occasion of their silver wedding anniversary.

Colonel and Mrs. Harrison Brent Jr., Mrs. Foster's sister, held the reception for 30 guests in their home in Downy.

Mr. and Mrs. Foster have been residents of Pasadena and Sierra Madre for some 20 years. Mr. Foster, originally from Cleveland, Ohio, has been with the Jet Propulsion Laboratory for the past 23 years. Mrs. Foster, from Calgary, Alberta, Canada, is a well known hybridizer of iris, and is a past president of the California Iris Society of Southern California.

The Fosters have three children, Miss Lynne Foster, and Robert and Michael. Attending the reception from Vancouver, BC, was a niece, Miss Marguerite Fay.

News From Your COMMUNITY HOSPITAL

... Sierra Madre

John Hollinhurst, a resident of Sierra Madre living at 601 Manzanita St., had a stay of several days in Sierra Madre Community Hospital during the past week.

Admitted recently to Sierra Madre Community Hospital as a medical patient was Wolfgang Hahn who resides at 485 W. Sierra Madre Blvd.

Hospitalized in Sierra Madre Community Hospital last Tuesday was Robert Blerstein. He underwent major surgery the following day.

John and Mary Ewing of 635 Ada St., Glendora, have a son now, as well as a daughter. John Barley was delivered at Sierra Madre Community Hospital on Saturday, Nov. 12, weighing 7 pounds, 4 ounces. Sheryl Ann is his older sister.

Jeffrey Paul is the name chosen by Mr. and Mrs. William Otis of 1337 Armadale St., Los Angeles, for their son who was delivered on Tuesday, Nov. 15, at Sierra Madre Community Hos-

pital. At birth his weight was 10 pounds, so he was immediately crowned king of the nursery. At home Jeffrey has an older brother, William John II, and a sister, Catherine Ann.

Mrs. Clarence Pesek who resides at 635 W. Alegria St. was admitted to Sierra Madre Community Hospital last Wednesday and underwent surgery the following day.

A short stay in Sierra Madre Community Hospital was made recently by Mrs. James Vieira, who lives at 487 Woodland Drive.

Mr. and Mrs. Brial Gall who live in San Gabriel at 1946 California St. have a pair now, so everyone is happy. On Thursday, Nov. 17, their daughter, Lisa Suzanne, was delivered at Sierra Madre Community Hospital, weighing 8 pounds, 5½ ounces. She is joining her older brother in the Gall family circle.

Take some of the things that use electricity out of an average home.

Stack them up outside.

The picture might look like this.

The typical Southern California family uses many appliances that didn't even exist in 1939.

You use a lot of electricity. So we try to keep the price down. Right now the price of electricity is one third less than in 1939.*

*The average cost of a kilowatt-hour of electricity to Edison residential customers is 34.4¢ lower than in 1939.

Sleigh Bell Luncheon To Be Tuesday, Dec. 6

The Southern California Alumnae Chapters of Delta Delta Delta will hold their annual Sleigh Bell Luncheon in the Los Angeles Ballroom of the Century Plaza Hotel on Tuesday, December 6.

The hospital committee announces that this will be the 20th anniversary of this medical research benefit for Children's Hospital. Since its inception in 1946, this gala affair has always carried a gay Christmas theme, and this year lovely tall green candles will adorn each table as well as Christmas bells. Attractive Christmas corsages are being made by the members of the Pasadena Area Alumnae Chapter.

Following the luncheon Designer Fashions suitable for the holiday season. DiLevanti, the famous designer, will narrate the show. The profits of this benefit make it possible for a corps of doctors to carry on the Hematology Research Department at Children's Hospital. Many important advances have been accomplished in this field in the past 20 years. Each year over \$10,000 have been raised at this benefit.

Mrs. Norman Day of Pasadena and Mrs. William Dudley of Westwood were among the originators of "Sleigh Bells." Mrs. John B. Simpson of Pasadena is president of Southern California Council of Tridelta Alumnae and Mrs. Albert Miller, of Los Angeles, is chairman of the hospital committee.

Miss Katharine Hall of South Pasadena is chairman of prizes for the party and Mrs. Owen H. Peters is chairman of reservations for this Pasadena area. Mrs. Norman R. Dowds of San Marino, president of Pasadena Area Alumnae Chapter, is urging all Trideltas and their friends, interested in better health for children, to call for reservations at 792-3953.

Organ

The Organ Workshop Group of Shakespeare Club will meet Thursday, Dec. 1, at the home of Mrs. Harold R. Benedict, 3525 Grayburn Road, Pasadena. Luncheon will be at 12:30 p.m. Reservations must be made. Mrs. Oscar N. Kulberg is chair-

Tri Delta Alumnae To Hold Auction For Girl's Club

Arcadia Area Tri Delta Alumnae are again busy creating items to be sold at their 10th annual Talent Auction to be held on Tuesday evening, November 29, at the Girls' Club of Pasadena, 3160 E. Del Mar, Pasadena.

Each member is asked to bring guests and creations of her own particular talents.

Special guests for the evening will be the board of directors of the Girls' Club of Pasadena.

In previous years members have brought forth creations of almost everything imaginable — holiday decorations and trimmings of all kinds, lovely smocked and embroidered items for children and adults, jams and jellies, fudge and cakes, toys, socks, fancy slippers, jewelry, aprons, and even crazy hats.

Edward G. O'Brien, husband of the club's president, promises a lively evening when he again shows his skillful auctioneering talent to bring forth the highest possible proceeds for the benefit of the Girls' Club of Pasadena.

Punch and dessert will be served throughout the evening to guests and members by Mrs. Roger Garretson, chairman of the auction, and her assistants, Mrs. James Clifton, Mrs. Lawrence G. Atkinson and Mrs. Jerry Asher.

All Tri Delta Alumnae in the area are welcome to attend and may make reservations with Mrs. Fenwick English, 446-4144.

Barney Yunc they can see most any day figure, so his daughter and her husband, the Richard Comptons, think maybe they'll turn down his invitation for Thanksgiving in order to take Christine and Sherry to see the granddaughters in Arizona. Mrs. Dorothy D. Schlinglof and Mrs. Ruth Compton. However the day turns out, they are very much hoping that both grandmothers will come to Sierra Madre for Christmas. Dick Compton has finally recovered from the broken cartilage in his knee which kept him inactive for two months, fortunately in time to give house room for all that pre-Christmas preparation.

Christmas Bazaar For Shakespeares

Shakespeare Club of Pasadena will have its annual gala Christmas Bazaar on Tuesday, Nov. 29, from 10 a.m. to 4 p.m. in Stratford House, 220 S. Los Robles Ave. Mrs. James C. Chambers, president, invites the public to visit this festive event during the day and to patronize the many attractive features.

Mrs. Walter L. Benedict, chairman of the ways and means committee, assisted by Mmes Robert H. Bunker and Roy L. Gilliam, is in charge of arrangements. Groups headed by Mmes. Alfred C. Allg, Carl R. Anderson, Robert H. Bunker, Lyle H. Chaney, A. J. Frederick, J. W. Goldstein, William F. Hibbard, Fred W. Johnson, Neil G. Ross, Clifford D. Ward and Frank M. Westlake have been working for months preparing and acquiring the useful unusual items.

Shoppers will have an opportunity to select from booths offering ponchos, aprons, figurines, special Christmas decor, and "white elephants;" in the category of home-made foods there will be candies, casseroles, cakes, cookies and breads.

A special feature will be a Gift Shop with some recent imports from Taiwan as well as new costume jewelry and other gift items.

A buffet luncheon will be served at 12 noon by the Philanthropy Department, of which Mrs. A. J. Frederick is director. Mrs. Leonard L. Evers is luncheon chairman, assisted by Mmes. Arthur Field, Theodore Hagstrom, Edward F. Mitulski, Iris C. Rice, Idelle E. Sandquist and John R. Vidic. Reservations are not required. During luncheon, Ebba and her electric guitar will entertain with folk songs.

Meeting

On Friday, Dec. 2, the Shakespeare Department of the Shakespeare Club will meet at 11:15 a.m. in Stratford House with Mrs. Kenneth H. Scott chairman. Please bring a sandwich. Coffee and dessert will be served by the hostess, Mrs. Alfred C. Allg. After lunch, members will present their favorite passages from Shakespeare's works. Mrs. Margaret W. Hookway is director.

"Let's Talk Dry Cleaning"

by JOSEPH DELGATTO, SR.

Velveteen and corduroy are being used rather extensively for both dress and leisure clothes — and with good reason. Both give long wear, are dry-cleanable, and offer plenty of warmth on cold days and evenings.

Velveteen is generally an all-cotton pile fabric in which the weft threads form the pile. The pile is somewhat lower than in silk and regulation velvets. Corduroy is an all-cotton velvet with the pile appearing in vertical ridges.

As a rule, velveteen and corduroy are as susceptible to pile removal during cleaning as silk velvets, and they require special cleaning car and finishing techniques. We advise you to examine the labels on garments made of these materials before buying them to make sure they have been treated to prevent shrinkage. As with velvets, the pile threads of velveteen and corduroy often become badly crushed and/or matted during wear and must be straightened and smoothed out when cleaned.

We've built our business on service, and our service takes many forms: prompt pickup and delivery; quick service when you need it; reliability and dependability; and special care to treat every article you send us — silks, velvets, corduroys and all synthetic fabrics — with the newest and safest scientific methods.

Junior Friends Of Library To Have Program

The first in a series of programs for young people Junior Friends of the Sierra Madre Library on Saturday, Nov. 26, at 10 a.m. in the Children's Room at the Sierra Madre Library, according to Mrs. Jerry Asher, chairman.

Two films have been selected for the program. The first, "Snowy Day," is an animated version of the 1962 Caldecott Award picture book by Ezra Keats, depicting a small city boy's delight with snow.

"Golden Fish," the other film, is a color fantasy about a boy with a goldfish, with guitar accompaniment in the background. "Golden Fish" received both the Motion Picture Academy and the Cannes Film Festival awards for outstanding children's films.

Arts and Crafts

On Thursday, Dec. 1, the Arts and Crafts Department of Shakespeare Club will meet at 1030 a.m. in Stratford House. Mrs. Clifford D. Ward, chairman, will give instructions on how to sculpture a head out of molding clay. Please bring your sandwiches and a towel.

Miss Ann Adele Mansis Becomes Bride Of Gary William Gangi

MRS. GARY WILLIAM GANGI
... nee Miss Ann Adele Mansis

Ann Adele Mansis became the bride of Gary William Gangi in a double ring ceremony at noon on October 22 before Rev. John F. Cunningham who performed the nuptial mass at St. John Chrysostom Catholic Church with 700 relatives and friends present.

The bride is the daughter of Mr. and Mrs. Joseph R. Mansis of Inglewood. The bridegroom is the son of Mr. and Mrs. Paul Gangi, Sr.

The phrases — the way to a man's heart is through his stomach AND music hath charm, can well be described by a NIGHT at the Monsignor Room in the Beverly Hilton Hotel.

A very efficient restaurant will provide your EVERY wish for food and service. Murray Korda and his Singing Strings will pour forth golden melodies for listening and danceable tunes.

In the electronic and ATOMIC age in which we live — so many people live in a world of "Pick up Food" at "Ptown Tommys" or Garlic Gene's. They settle in their "den" and turn on Hi Fi — or stereo.

If they would give up a FEW of these evenings and take their FAVORITE girl to this place — they would add a most beautiful sparkle to her eyes.

This I would term as EX-PENSIVE — but EXCEL-LENT. I would suggest reservations — and arrive AFTER 8 P.M. — when the music starts.

A FINE restaurant is NOT a place where one EATS good food — BUT where one ENJOYS eating good food — PROPERLY served.

My MOST sincere thanks to the editor of the Sierra Madre News for allowing me this space.

And to Pauline Neal — it was HER idea. The Menu Story next week will feature the GOLDEN story of Pettucini.

Sherman Oaks. Soloist Robert Winkler was accompanied by Mrs. Maryann Schultz. Selections included Schubert "Ave Maria," "Panis Angelicus and the Balmain Wedding Mass."

The radiant bride on the arm of her father came down the aisle to the strains of "Trumpet Voluntary." Wearing a hand-fashioned gown of white crepe with slender-ankle skirt sweeping the floor. Accented by touches of Swiss lace and tiny seed pearls and a detachable cathedral length veil was held in place by a crown of arborvitae stones. She carried a single long stemmed white rose.

Maid of honor, Miss Candy Clarke, wore a floor length gown of olive green chiffon, carried a bouquet of blue dyed carnations. The bridesmaids, Bette Merrill, Helen Reith, Kathy McCordle, Charmaine Justice, Sheila Horton, Virginia Rolston, Daisy Norton, Sandy Pender and Marilyn Means wore sapphire blue gowns of like design and carried blue tipped carnations. Flower girl Miss Theresa Donin, wore blue-green gown styled after King Arthur Court wearing a peaked cap with chiffon veil falling from the top of the peak and carried a basket of white rose petals. The ringbearer was Master Robert Schultz, carried white satin pillow holding the two wedding rings.

Paul Gangi Jr., the bridegroom's brother served as best man. Ushers were Lou Donin, J. Michael Connall, Ken Mousseau, Tom Dennis, Jr., Rudy Saldamando, Gary Martinelli, Dick Brundage, George Carr, and Mark Boyd. They were attired in formal cutaway ensembles with gray ascots and vests. Mr. Mansis and Mr. Gangi, Sr. wore boulevard coats with striped trousers.

For her daughter's wedding Mrs. Mansis chose a two piece floor-length ensemble of persian blue Swiss embossed wool silk. Mother of the bridegroom wore full length gown of lime green sculptured crepe, with matching accessories.

White glads, China mums and blue-tipped carnations decorated the alters of the church. The massive bouquets were tied with green velvet bows.

Handling the guest books were cousins of the bride, the Misses Kathy Hogan of Alhambra and Gloria Mansis of Inglewood. The newly weds were greeted at the American Legion Hall, parlors of the couple and members of the wedding party receiving a host of relatives and friends sharing the luncheon prepared by Ted and Chris Ludolph. The couple honeymooned at Lake Arrowhead and Palm Springs, and will make their home in N. Hollywood upon their return. The new Mrs. Gangi served as Miss Inglewood Princess 1965; a graduate of Inglewood High School and attended L. B. St. College. The bridegroom is a graduate of Notre Dame High School and affiliated with Phi Kappa Theta, Loyola University.

Parking Commission Reviews Problems

rather than a shopping center. As an easier flow is made to large shopping centers it is imperative not to reduce existing parking spaces. "We must not make it harder to shop here," he said, "when the big centers on the perimeter of the city make it easier and easier." He further said that it is his belief that many shoppers are not aware of the existence of the new Suffolk parking lot, and one decision made during the meeting was to see that signs indicating free municipal parking should be put up at strategic spots.

Since the Chamber of Commerce has sent out a questionnaire to all merchants, not just members, which includes a request for information re angle parking, this question was tables for further discussion at the next regular meeting, Dec. 14, when the Chamber's survey will have had time to come in and be evaluated.

Chief Gales was asked to obtain before the next meeting some figures on the number of angle versus parallel parking spaces possible on the south side of Sierra Madre Blvd.

It was pointed out that questions about angle parking and decisions in regard to it are necessarily entwined with more productive use of the Suffolk space, which at present is being used for only about 25% of its capacity. Most of the meeting was therefore devoted to improving use of this space, by improving ingress to and egress from it.

A motion was made that the policy of no parking restrictions on Mariposa be continued indefinitely until further notice. The question of having 15-minute restrictions to alleviate delays caused by those using the Post Office was discussed, and whether there might be a mail drop-in box at a location which would not cause traffic hazards. Also to be checked by Assistant City Engineer Larry Adams is the matter of comparable wages in neighboring communities for unsworn traffic officers or meter-maintenance men, so that the possibility of merchants contributing to the cost of part-time personnel to check "storage" parking might be further pursued.

Larry Adams mentioned the June workshop of the International Parking Congress, saying that the City might be able to fund registration fees for Commission members wishing to attend, and that he would investigate cost of the City becoming a corporate member of this organization in order to have its traffic studies and materials made available.

A motion was made to ask the City Council to reactivate the study of achieving access to the Suffolk parking by means of an L into it from Baldwin. Trustees for the estate holding the Sierra Madre Hotel will be contacted re the lot at the rear of the hotel. Consideration will be given to the possibility of ingress directly from Sierra Madre Blvd. and Don Jackson, chairman of the revised commission, urged that merchants be aware of the importance of making rear entrances more attractive to the public.

Dec. Luncheon

"Heavenly" Christmas tree centerpieces and miniature Santas are the attractive table decorations for Sierra Madre Hospital Auxiliary's Dec. 1 luncheon meeting. The affair, which is being planned as a very special occasion, will be held at The Westener Restaurant, 181 Colorado Place in Arcadia.

A social hour is planned for 11:30 followed by a delicious buffet luncheon. Mrs. Harry Wharton, auxiliary president, will greet members and guests.

Services Held For John Davis

John William Davis, 55, of 74 E. Sierra Madre Blvd. passed away suddenly Nov. 18 at the Rose Bowl. Originally from Pittsburgh, Pa., Mr. Davis moved to Sierra Madre five years ago and worked as a textbook librarian at Pasadena High School.

A veteran of World War II, he is survived by his wife, Florence E. Davis; daughter, Mrs. Lawrence Vaughn; one sister, one brother and three grandchildren.

Services were conducted Nov. 22 in the Pasadena Church of Christ by Mr. James E. Priest, followed by interment at Live Oak Cemetery. Arrangements were taken care of by Ripple Mortuary.

Local Gardener Dies In Hospital

John Frederick Tenlon, 73, passed away November 20, at the Sierra Madre Community Hospital after a lengthy illness. Born in London, England, Mr. Tenlon came to Sierra Madre 20 years ago and worked as a self-employed gardener. A World War I veteran, he is survived by his wife, Alice R. Tenlon, two sisters who live in England and one brother in Concord, New Hampshire.

Services were conducted Wednesday, November 23, at 2 p.m. at Ripple Mortuary by the Veterans of Foreign Wars. He was interred at Live Oaks Cemetery. Arrangements were by Ripple Mortuary of Sierra Madre.

Hospital Auxiliary To Hold Dec. Luncheon

"Heavenly" Christmas tree centerpieces and miniature Santas are the attractive table decorations for Sierra Madre Hospital Auxiliary's Dec. 1 luncheon meeting. The affair, which is being planned as a very special occasion, will be held at The Westener Restaurant, 181 Colorado Place in Arcadia.

A social hour is planned for 11:30 followed by a delicious buffet luncheon. Mrs. Harry Wharton, auxiliary president, will greet members and guests.

Announcements will be made by Mrs. Warren Brown, rummage sale chairman, of the results of the successful sale. Also by ways and means chairman, Mrs. Herbert Hargraves, of the Jan. 6 Day at the Races for the auxiliary.

Following the brief business, the meeting will be turned over to a special program of entertainment planned by auxiliary members. Those members involved in planning the luncheon and the affair's festivities are Mrs. Wharton, Mrs. Hargraves, Mrs. William Sullivan, Mrs. C. M. Schuebach, Mrs. Arthur Maricq, Mrs. Edward Chapman, Mrs. Walter Nollac, Mrs. Jack Tiller and Mrs. Evelyn Weber.

Mrs. William Stoddard is in charge of the table decorations. Mrs. Walter Fader will play the piano and fortunes will be told by a genuine gypsy fortune teller (Mrs. Lola Durning in disguise).

The occasion also will be a farewell party to Mrs. Chester Lighthizer. She is leaving shortly with her son, Kristen, to join Mr. Lighthizer in Viet Nam.

Gymnastics Victory For PHS Girls

The Pasadena High School Gymnastic Team took 20 awards of the 27 offered to the 15 and over group in the gymnastic meet held at Eastmont Jr. High in Montebello on Saturday, Nov. 19. Approximately 120 girls competed in the two categories, 14 years of age, and 15 and over, the group in which PHS scored, which included girls from 40 various schools and private groups.

Included in the awards won were the top three, "All Around," which go to the girls who make the highest number of total points in all four Olympic events: vaulting, balance beam, free exercise and uneven parallels. PHS also won the Team Trophy, to the joy of their teacher and coach, Mrs. Brenda Villard of the PHS coaching staff.

A Sierra Madre girl, Julie Atterbury of 119 S. Lima, won a medal and three ribbons at the meet: 1st place vaulting, 2nd place uneven parallels, 5th place free exercise and 3rd place all around (medal). Also place winners were Sheila Martin and Lisa Quinn of Pasadena. Both Lisa and Julie are mere sophomores.

Julie and Sheila went to Whittier a week ago by special invitation to take part in a demonstration presentation.

After finalization of the wilderness area can only be disturbed by a two-thirds vote of registered voters of Sierra Madre.

City Facilities
Also by motion the City Council authorized the repair of the jail and facilities, to come up to the expectations of the Grand Jury, at an expense of \$2330. Also the remodeling of the interior of the City Hall in limits of an additional \$2300 and the relocation of the generator at \$650. The total of the three projects not to exceed \$5500. Payment to come from the Maintenance and Repair fund and the balance from the General fund.

Councilman Sorensen left at 11:20; Mayor Parks at 12:15, and Vice-Mayor King at 12:26. For lack of a quorum the council could not act any further.

ed by the Kiwanis Club and the YMCA there, and strutted their stuff among Olympic team members and national winners of gym meets.

Two years ago, Julie, on Wilson's drill team, was the school's representative for vaulting in the All-Pasadena school meet, would have been its representative last year for free exercise, except for a sprained ankle.

Despite her athletic prowess, however, Julie so far has no teaching or professional sports goal in mind, is especially interested in science.

March of Dimes Kick-off Luncheon To Be Nov. 30

Approximately 350 women leaders from 105 Los Angeles County communities, including a group from Sierra Madre headed by local Mothers' March chairman, Mrs. John Matter of 520 Manzanita, will attend the annual countywide March of Dimes Mother's March Kickoff Luncheon. It will be held at the International Hotel, Sepulveda and Century Blvd., Los Angeles, on Wednesday, Nov. 30.

Featured speakers for the pre-campaign meeting will be Dr. Joan Hodgman, head physician, newborn service, L. A. County General Hospital, and Rabbi Edgar F. Magnin.

Hollywood personalities Jane Wyatt, three-time Emmy Award winner, and voluntary National Mothers' March chairman, and Paul Petersen, "Jeff" on the Donna Reed TV show, and voluntary national teen chairman, will be on hand to greet the local volunteer leaders.

Narcotics Taken

fire in an attempt to cover up the theft.

Police believe that with the arrest of Shuman that the supply of the drug to "users" in the valley has been virtually cut off.

Police pointed out that those involved in almost every instance in this case were youngsters and that the power of the drug involved is said to be far greater than marijuana or L.S.D. and therefore the "drying up" of the supply takes on even more importance.

Shuman, according to police records has been arrested on suspicion of murder, burglary, forgery, fleeing to prevent prosecution, etc., and that he was thought to be armed when the arrest was made at the Pasadena address.

Flood Work Dead

Further discussion only confirmed his comments, and after Mr. Hall left the Council Chambers he was questioned by this newspaper as to whether he was serious in his remarks or only made them under "heat" and "pressure." His remarks were: "I am pulling my crew off of the job in the morning. Unless the Council again changes its motion, within a few short days or weeks, we are through with the project forever."

Since previous to this item on the agenda, the Council by motion of Maddox and passed by 5-0 declaring all undeveloped land outside of Sierra Madre, owned by the City, and consisting of some 922 acres, be named the Sierra Madre Historical Wilderness Area. Further, this motion will set into reality the other necessary facets whereby man may never enter this area and destroy its beauty, such as plainly speaking, check dams, flood control work, housing or any development whatsoever.

With these two items completed, it is the opinion of this newspaper that the Sierra Madre Wash will rest in its beauty and be undisturbed. The people of Sierra Madre have arisen, they have opposed the Federal Government and its agencies and saved the taxpayers some \$900,000. The issue is now dead, forever.

After finalization of the wilderness area can only be disturbed by a two-thirds vote of registered voters of Sierra Madre.

Sierra Madre Swim Team Invitational

Smith in eight and under free-style and back stroke. Third place winners were Kim Franklin, Lee Patterson, Leigh Jacobsen in breast, back and free, Dominique Paschall, Alex McDonald, Ricky Rutledge back and free, Joan Ball, Christy McDonald, Terry Falco, Jennie Jacobsen, Susan Krause, Laura Hernandez, Owen Ludlow, and Roark Paschall.

Coach Keith and assistant Joe Banis were pleased with the members' times even though the team lost 64-217. The members of the Sierra Madre Team who placed at Los Coyotes were Ronnie Krause with a third in 13-14 breast, a fourth in the 13-14 individual medley, and a fifth in the 13-15 50 yd. free-style, Nancy Rudolph who came in third in the 11-12 butterfly competition, and Kim McKenzie who placed fifth in the breast stroke.

The invitational meet was sponsored for the benefit of CHOC (Children's Hospital of Orange County) by the Los Coyotes Country Club and the Bo-Beep Guild of CHOC. Each child paid a fee based on the number of heats he entered.

On December 10 the Sierra Madre Team will host its own invitational in which over 500 swimmers are expected to participate. The meet will start at 9 a.m. and run into the afternoon with all events offered in all age classifications. Trophies will be awarded to the high point team and the girl and boy receiving the highest number of points in each group.

A Real Live
justly proud of being an old fashioned Christmas spirit town.

Lloyd, who lectures all over the West, carries this spirit not only in his regular garden workshops, but in his Christmas travels, as he shows how to decorate for Christmas with odds and ends around the house. Each program winds up with the story of the Sierra Madre creche and the true spirit it exemplifies.

Join with your friends in thanking the Sierra Madre Float Association for carrying on a community float building tradition. You are also reminded to watch our parade entry on Dec. 3 in Huntington Park Christmas Parade on Channel 5.

Fourth grade parents and teachers will host the meeting and refreshments will be served.

Thanksgiving Union Services To Be Held

A Thanksgiving tradition in Sierra Madre is the Union Thanksgiving Service sponsored by the cooperating churches of the Sierra Madre Ministerial Association. Again this year the service will be in the Memorial Park at 10 on Thanksgiving morning.

Rev. Don Ostrander of Trinity Presbyterian Church is in charge of the program and will give the invocation. The Boy Scout Troop 374 will present the colors and Mayor Frank Parks will read the Presidential proclamation. Dr. Robert Schaper, pastor of Bethany Church will bring the Thanksgiving meditation and Rev. David Howell, pastor of the Congregational Church will lead in the Thanksgiving prayer.

Also participating in the program will be Rev. James Spillman, minister of Christian Education of Bethany Church and Rev. Jack Wright, Youth Minister of the Sierra Madre Methodist Church. The choir of the Trinity Presbyterian Church under the direction of Mr. Jack Bourquin and accompanied by Mrs. Jean Patterson of the Congregational Church will provide the music.

It is hoped that the entire community will feel welcome and take advantage of the privilege of united thanksgiving in a beautiful outdoor setting. In case of inclement weather the service will be held in the Congregational Church.

'Advent' To Be Topic Of Sermon

On the first Sunday in Advent, Rev. David Howell will begin a series of sermons at the 10 services of the Sierra Madre Congregational Church. The first of these meditations will deal with Advent as a time to look back. The Church Choir under Rev. Karl Beilstein will present the traditional "O Come, O Come, Emanuel." The Hi Fi Choir, directed by Mrs. Edward Murphy, will sing "Praise Shall Be Thine," by Tillmer.

To mark the approach of the great Christian festival, a program of Scripture and Christmas music will be given in the sanctuary of the Congregational Church on Tuesday, December 6, at 7 p.m. Both the Junior and the Hi Fi choirs will sing appropriate musical selections.

A social hour in the Olive O'Byrne room will follow the program. In the adjoining library a display of varied Christmas decorations will be on exhibit. Anyone who would like to show special arrangements or decorations used in her family is invited to do so. Mrs. Loren Jenkins may be called for any additional information.

All members of the church and friends in the community are most welcome.

Faith Lutheran Announces Events Stated For Week

Congregational and choral singing will predominate in the Thanksgiving Day service which will be conducted at 9 a.m. in the sanctuary of Faith Lutheran Church, 845 Hastings Ranch Drive.

Both choirs will participate in the call to worship, "God Himself Is Present." The Junior Choir will also present "Katharine Davis' "For the Beauty of the Earth," and the Senior Choir Willan's "Sing to the Lord of Harvest." Rev. Armin Hesse's Thanksgiving message will be entitled "The Christian Grace of Gratitude."

In the 9 a.m. Sunday morning session of the Sunday school, Mr. Donald Hingst, the church's minister of Christian education and youth, will make the class and costume character assignments for the Christmas Eve service. Until Christmas the Sunday school will begin at 9, in place of the usual 9:15.

In the 10:30 Sunday worship service, the pastor will introduce the new church year by centering the attention of the worshippers on the last chapter of the Book of Malachi as he speaks on the question "Is There Hope for the Faithful?" The Senior Choir will present W. Glen Darst's "Ride On In Majesty."

On Sunday afternoon at 3, the young people of the Walther League will meet to package the Wheat Ridge Christmas seals for distribution. They will conclude the activity with a pizza supper in the parish hall.

Next week's parish activities will include: the Junior Choir on Tuesday at 7:30; the Children's Weekday School for grades 1-8 on Wednesday afternoon from 4 to 5:30; the Midweek Bible Hour featuring two courses on Wednesday night at 7:30, followed by the Evangelism Committee meeting at 8:30; the Church Membership Study classes on Thursday at 4 for juniors, and at 8 for adults; and the Senior Choir on Thursday evening at 8.

Sunrise Service For Thanksgiving

A sunrise service of Rejoicing and Thanksgiving at 6:45 a.m. Thanksgiving morning will be held at the Santa Anita Church, 226 W. Colorado Blvd., Arcadia. Another service will be held at 10:30 a.m. Both services are open to the public and you are cordially invited to either or both services of blessing to you and to the world. These are family services. Dr. Barnhart will have a special message for the children.

The lesson-sermon of Dr. Ethel Barnhart Sunday morning, November 27, at the 11 a.m. worship service is "The Power of Loyalty to Your Goal." The Bible admonishes us to remember that "without a vision the people perish," without a goal there is no advancement. However, it very clearly states that without loyalty to that goal there is no attainment. Without attainment there is frustration. The attainment of your goal is the essence of Dr. Barnhart's sermon. The public is invited. Infant and child care is provided for your convenience.

A very strong spiritual, educational program for youth from kindergarten through high school is open to all whom it may serve. All youth activities meet at 11 a.m. Sunday mornings. "Spiritual help is available day or night by calling Dial - for - Prayer, 447-6162," says Dr. Barnhart.

It is good news that Caltech has now set up an international desk to coordinate available information for newly-arrived foreign students and scholars. Mrs. Ingrid Bumpel, former public relations assistant at Caltech, will head the desk and in addition to serving as foreign student advisor she will arrange appointments and programs for foreign academic visitors. Meanwhile our students at PHS get more interested in a foreign language by joining a club, such as the French Club, which offers field trips to French restaurants and films.

Christian Science Announces Topic Of Sermon-Lesson

"There is no wisdom nor understanding nor counsel against the Lord."

This is the Golden Text of this week's Christian Science Lesson-Sermon to be read in all Christian Science churches this Sunday. Title of the lesson is "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced."

The responsive reading is made up of Scriptural passages from Matthew, describing Jesus' forthright resistance to the three satanic temptations that came to him in the wilderness.

Selections from the denominational textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy include the following:

"Truth has no consciousness of error. Love has no sense of hatred. Life has no partnership with death. Truth, Life, and Love are a law of annihilation to everything unlike themselves, because they declare nothing except God."

Matthews-Lingo Wedding Sets Off Round of Parties In Sierra Madre

The wedding of Cynthia Matthews, daughter of Sierra Madre's beloved Mrs. Mary Tumulty of the local library, on the Saturday after Thanksgiving, has sparked as big a round of home-town congratulations as the most doting parent could hope for.

Wednesday before Thanksgiving Mrs. Tumulty herself held a coffee at home so that a few of her multitude of friends could have a chance to meet Cynthia's out of town guests.

Actually, the furor began Tuesday, date of the arrival of Cynthia's great-aunt, Mrs. Forest E. Dukes from Indianapolis and also the arrival back in the United States of Mrs. Thomas Lingo, mother of the bridegroom, from a two-months cruise of the Orient. And of course with most of the young wedding attendants coming from out of town there's a great ferrying back and forth to meet and greet arrivals.

Then on Friday, Mrs. William Scarborough, of 363 Camillo Road, whose daughter Barbara is one of the

Wine For Your Thanksgiving Table
GREEN HUNGARIAN BUENA VISTA SONOMA

This semi-dry wine is rich in body and outstandingly mellow to the palate. It has the full fragrance of Green Hungarian grapes grown in regions best suited to this historic variety.

The unique and pleasant after-taste is particularly commended to your attention.

These grapes were originally brought into Hungary by a Germanic people in mass movements to a new vineyard wonderland. They named the green grapes they brought with them "Green Hungarian" as distinguished from the native Tokays of Hungary.

The vines were then brought to California 100 years ago by Count Agoston Haraszthy, the Hungarian nobleman who built the stone wineries where these particular bottles of wine are made.

Mrs. Carl Brand will spend a quiet Thanksgiving together with her family at her home; her daughter Mary Jeann, married to Warrn Asa, will come from Glendora, with their children Linda Jean and Joseph, and her son Lester, his wife Judy and their daughter, Carol, from Pasadena.

OUT OF THE COBWEBS

two automobiles at the intersection of Mountain Trail and Grand View Aves. resulted in damage to both vehicles but no injury to passengers. The accident occurred when a car driven by Gordon K. MacKenzie collided with one driven by Mrs. Nell Vieira.

Dr. Nathan Jacobs is named first vice president of the San Gabriel Valley League of the Los Angeles Sanatorium at the meeting held at the Sierra Madre Jewish Temple.

Barbara Heasley entertains her card club at her home. In the group are Ruth Chase, Rita Twedell, Winnie Lees, Gleam Drury, Laura Morgan, Bernice Lange and Juanita Perry.

Joanne Green, daughter of Mr. and Mrs. Joe Green, celebrates her third birthday by entertaining the following little guests to ice cream and cake: Jan Bethke, Mary Jo Holmes, Barbara Brogger, Jimmy Jones, Judy Pratt and Candl Jaeger.

The Dickens Fellowship meets at the home of Mrs. Ida Hartman with Mrs. W. J. Miller as co-hostess. Readings from the works of Dickens are followed by refreshments and a social hour.

Mrs. Nettie B. Casper returns home after a two-week vacation spent with her daughter, Mrs. Sheldon Ballinger, in Beverly Hills.

Dean Arnold Bode motors to San Gabriel where he gives a talk on music to the Art Club of San Gabriel.

Mrs. Alicia Stiefhold returns to her home after a seven-weeks visit to Chicago. She reports that the weather was bad and she is very happy to be back in Sierra Madre.

Fifty Years Ago:
November 17, 1916
Mrs. Elizabeth J. Morgridge has as her weekend guests Mrs. Julia Carr of Pomona and Mrs. Nannie Groves of Claremont.

Samuel Stiles Casad celebrates his 90th birthday with a dinner party at which four generations of his family are represented. Among those present are Mr. and Mrs. Freeman of Compton, Dr. and Mrs. Guy Colton and children, Angela and Clare. An old comrade of the Civil War brought them by auto. Several neighbors and friends dropped by during the day to offer congratulations.

Laurel Steinberger and Raymond Adelmeier motor to Big Bear Lake for a try at the duck hunting. They report a good trip with plenty of sport.

Yule Concert For December 4th
The Neighborhood Chorus and Orchestra, conducted by Edward Low, will present two settings of the "Magnificat," by J. S. Bach and another setting of the "Magnificat" by C. P. E. Bach at the Neighborhood Church, California Blvd. at Pasadena Ave., Sunday, December 4 at 8 p.m., to welcome the yuletide season.

The performance will feature solo, chorus and instrumental ensemble.

The "Magnificat" is part of the earliest and most important canticles of the church. It expresses a glorious magnification of praise to the Lord as expressed by Mary in the Gospel according to St. Luke.

The setting by J. C. Bach is a well known festive work typifying the ornate Baroque period and is considered to be one of the greatest choral works of all time. A rare treat lies in the obbligato accompaniment to the soprano area performed on the oboe d'amore by Rodney Garside. In contrast, the setting by C. P. E. Bach is a bold vigorous work which is rarely performed and little known. It exhibits the conflicts in style which C. P. E. Bach exemplifies.

Its imposing inventiveness proves him a worthy son of his illustrious father. The conductor of the concert, which is open to the public, is Edward Low, a resident of Skyland Dr., Sierra Madre.

'PEPTONE' By ALICE MANG

Mike Conley, a singer that has been making quite a name for himself around Hollywood, is a blonde, 19 year old.

His singing career began a year and a half ago when he was a member of a group called the Emeralds, started by Don Beaudoin. This group is now known as the Palace Guard. He belonged to the "Guard" until about February, at which time he quite to go back East.

Upon returning, Mike joined with a group called the Yellow Payges. Because of various disagreements he switched over to the Offspring. The group went pretty far and had many recording dates. Herb Albert of the Tijuana Brass was even interested in them. Just as the group was really coming out Tim Rooney, son of Micky Rooney, left to join the Yellow Payges. The Offspring then split up.

Mike is now a member of the Spiders which is a very well known group in Hollywood. Their record will be released within the next two weeks, although Mike's voice will not be on it, because when the record was made Mike was not in the group.

This groovy singer seems to put everything into his singing and seems to be the happiest when he is singing. He has written a few songs which will probably be worked on by the Spiders.

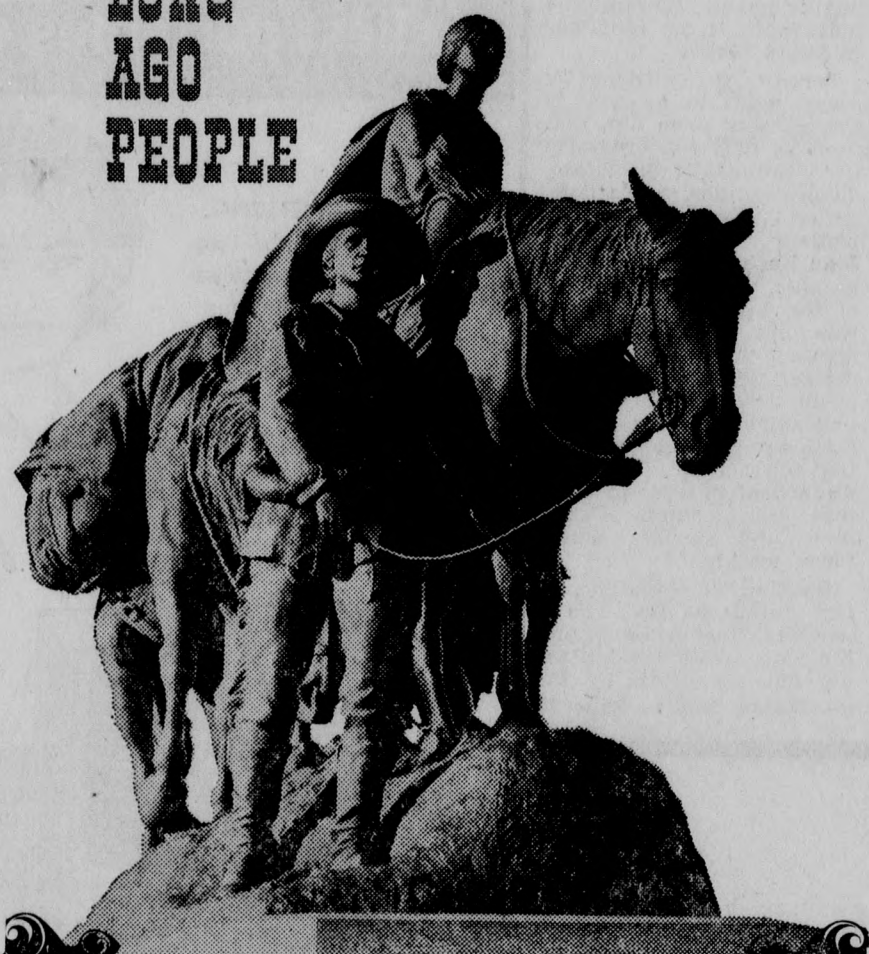

The Spiders will be playing December 17 at the Music Hall in Eagle Rock. Don't miss the show, it's going to be really great!

You will be hearing more about the Spiders in this column, so don't miss it!

Mr. and Mrs. Arthur Haines are looking forward to that rare privilege so well earned by grandparents: a Thanksgiving dinner where children do the cooking and work. They will be guests of son Bill and his wife in Monrovia, and his children Jerry Lee, Jamie and Jill, and also attending from Sierra Madre will be other son of Mrs. Haines, Larry Canlarla, his wife and son Douglas. (Specially delicious the dinner cooked by others!)

LONG
AGO
PEOPLE

It happened while I was hiking in the mountains . . . suddenly I came into a clearing and saw the crumbling foundations of what had once meant shelter and protection for a pioneer family. Rugged mountains surrounded the decayed dwelling on three sides. But in front there opened a panorama across a valley which in all its beauty held me spellbound.

I turned and noticed a small old-fashioned rose bush which seemed to reminisce with yesteryear beside the moldering stoop. I could feel the presence of those long-ago people. How they must have loved this place. The woman had tended flowers and vegetables here, had borne her babies and had helped her man carve a life from the wilderness.

What was their secret . . . these pioneer people? Where did they find the courage and confidence needed to face the privations and dangers of primitive living? God was their refuge and strength. Their love of Him illumined their lives, and goodness graced their days.

Just so today, God and His Church are the source of all bounty, greatness, and joy. They are yours for the asking.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Soccer Proves To Be Exciting Game

The second week of soccer league competition saw two very exciting games at the Sierra Mesa School Field. The Rogers and the Magpies fought it out in the first game, and the first half of the game brought about a lot of chances and a lot of excitement, but no goals.

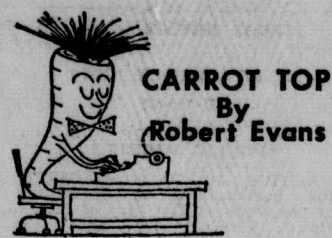

Ten minutes after half time, and goals came fast. The Magpies broke the deadlock when Ralph Acosta put across a low center from a corner kick. Norman Couture was on the spot to shoot into goal.

The Rogers immediately settled down after this setback, and within two minutes scored the equalizer, when Rodney Couture left his defensive position and with a solo effort went through to score. Rodney completed his hat-trick by scoring two more goals within a matter of minutes. The Magpies didn't give up the fight, and came close to scoring on a number of occasions, but the Rogers' defense held fast. Final score: Rogers 3, Magpies 1.

The second game of the day brought the Thunderbirds up against the Hotspurs. This game started off at a very fast pace, with both teams getting in some good attempts at scoring.

The Thunderbirds were outstanding in defense, with Danny Scharf and Kim Sutton taking the honors. Conrad and Michael Scharf again looked a good combination in attack. Outstanding for the Hotspurs were Jack Nickoloff and Danny Ribbens. Final score, Thunderbirds 2 and Hotspurs 0.

League standings are: Thunderbirds, won 1, tie 1, loss 1, points 3; Rogers 1, tie 1, loss 0, points 3; Magpies, won 0, tie 1, loss 1, points 1; Hotspurs, won 0, tie 1, loss 1, points 1.

of the Sierra Madre Volunteer Firemen, and they sell at the rate of \$10 a book.

Now the money derived from this annual affair is the money that goes toward Christmas baskets, toys and needs of those less fortunate at Christmas time, also for the Easter Egg Hunt in the spring and for the less fortunate throughout the year.

This is a project of your firemen, and it is a load taken off the businessmen and the Chamber of Commerce. Each and every fireman has tickets, they may be around, or if you wish, just send in your check for \$10 to the Sierra Madre News, and they will send you a book of tickets, and in spirit and heart you will be with the Firemen on December 10, the date of the dance. . . . Do it today, make the check out to Sierra Madre Volunteer Fire Department, and the tickets will be returned by mail.

The other night at the Fire Department meeting John Goodall accused us of writing the personals that have been appearing in the Classified. We absolved ourselves of most of the blame and told him of one that really has us stumped. We left here election night (or morning rather) at 3 a.m. and returned around 4:30, our usual arrival time, and in that brief period one of the personals was slipped under the front door. Each time this particular personal has arrived, in a different kind of envelope, with full payment and at the oddest hours. It sure makes us curious as to who is roaming the town at these crazy hours.

I talked at some length with Jack Overholt, the friendly owner of Vogue Cleaners, in the Wistaria Village Shopping Center. Jack expressed to me a wonderful idea about Merchant Sponsored Baseball for the coming season. A way that merchants will really get recognition for the wonderful job of sponsoring that they do. We won't endeavor to tell you about it now, we'll let Jack carry the ball and when the announcements are made, everyone will know about it. Jack is a promoter, not only for himself, but he is constantly thinking about his fellow merchants and the youngsters of the area. Watch Little League and the rest of the leagues this coming year.

So, we will close things up with this gentle reminder . . . if the shoe fits—wear it, it will be becoming to your personality . . .

—CT—
"The community that aspired greatness and achieves its goal is one where EVERY resident considers himself the head of that community. I am the community in which I chance to live. I am the generating factor for the progress that community makes. I am responsible for the conditions that exist in that community. I surrender that responsibility ONLY when I assume similar responsibility in another locality where I might decide to make my future home." Remember this, I hope, I hope, I hope.

Slight Increase In Swim Fees

Youth Center Not a Dead Issue by All of Council

Two subjects occupied the consideration of the Parks and Recreation Commission monthly meeting, held November 16: the question of increasing swim pool fees and the question of again presenting need and plans for a new youth center to the City Council.

After discussion on each motion to increase swim fees was approved and the youth center was referred back to the facilities committee. Present were P. Benet, E. Crook, M. de la Torre, J. Grippi, K. Rempel, J. Simons and department director Dick Dodge, with Sam Simpson absent due to illness and Betty Crook chairing in his stead, and Councilman Ed Wagner absent but Councilwoman Jan Maddox present in the audience.

The increase in swim fees is modest and will not affect single admissions, the young will be happy to learn. The slight additions to cost of lessons and passes will, with the greatly increased use of the pool, amount up to an anticipated \$3000. This, in approximating close to 10 per cent of the expected income of \$33,000 for next season, would provide a depreciation fund much needed to prevent operation deficit.

Proposed fees increase are: lessons for children from \$4 to \$5, with "Tiny Tots" remaining at \$5; for adults from \$5 to \$6; for water ballet from \$3 to \$6; with individual passes to go from \$7 to \$10 and family passes from \$12.50 to \$15. These increases still provide bargains in comparison to fees of other pools in the area and make unnecessary any discrimination against non-resident who comprise a large percentage of users. A similar 10 per cent depreciation fee was used in computing charge for the winter rental of the pool by La Salle High School.

It was pointed out that past figures for pool profit or deficit have not been accurate, since no depreciation was included in computing

Local Troop 505 Initiates Brownies

The third grade Brownie Troop 505 of Sierra Madre School had its initiation Saturday, Nov. 19, in preparing their own meal and cooking on an open fire in the great outdoors. The scene of this exciting achievement was the Arroyo Seco Park in South Pasadena. The concoction they prepared is known as "sloppy Joe's" served along with carrot and celery sticks. For dessert they prepared "some-moras." For those unfamiliar with same, this delight consists of one toasted marshmallow slipped between two graham crackers with a piece of chocolate inside; one taste will give you a clue to this most original name.

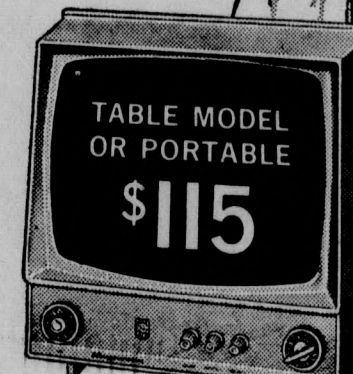

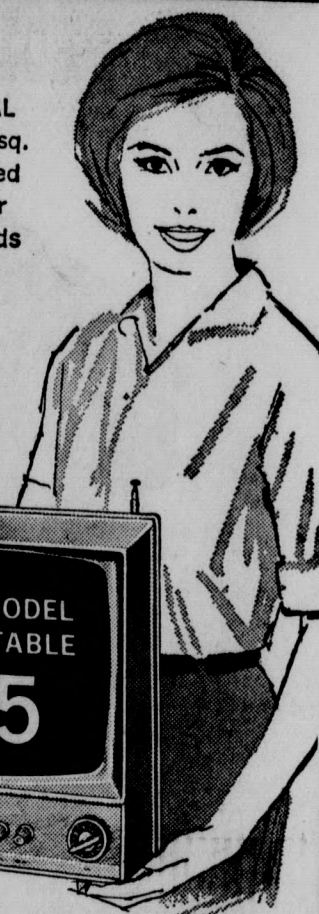

The girls also had the opportunity to show their ability and imagination in table decorations by gathering leaves, twigs and other of Mother Nature's offerings.

Troop 505 meets every Monday at the home of its leader, Mrs. Eric Wittig, with Mrs. Toshi Kabota as co-leader. Girls in the troop are Nancy Wittig, Kadene Dittmar, Julie Angel, Mary Ann Embree, Judy Talbot, Leslie Colucci, Susan Kabota, Janet Campbell, Michelle Guyon, Debbie Furst, Terry Kline, Pola Harrison, Cathy Francis, Kim Elder and Mary Cathers.

"Exploding the Myths" is the provocative title of a conference - seminar being held by UCLA Extension this Saturday and the 9 a.m. to 5 p.m. session in Room 2180 of the new Dickson Art Center on campus will cost a mere \$7.50 fee, which includes lunch and materials. So dip into the sugar bowl and join the girls to learn how to upgrade your work status and pay. For further information call 747-4321.

Firemen's Annual Christmas Dance

upset the financial applecart temporarily, and continues to have great meaning for city residents as a way for the city to take care of its own without pushing those in need to welfare applications. So, whether you love a rousing good time or want to do your share to help your neighbor in distress, you will want to welcome the men of the Volunteer Fire Department when they ring your doorbell and offer tickets for the dance: buy some!

Wives of firemen report that preparations for the dance, the trimming of the tree and the stuffing of Christmas stockings seem to be even more fun for the men than the dancing itself. But dance guests usually extend the party by having cocktail gatherings beforehand and lavish dawn breakfasts afterward, so it becomes a large evening for everyone concerned. Should be better than ever this year; the "Hook and Ladder Lads" have an enviable reputation for good music, they have played at the California State Firemen's Association Convention, the Biltmore Bowl for the Credit Union, the Police Academy Testimonial Dinner for Mayor Yorty and the Fire Chiefs' Convention in San Diego. They've even been asked to play at Mike Finn's night club!

Boutique Noel For December Sixth By St. Rita's Guild; Program After Lunch

St. Rita's Guild will hold their annual "Boutique Noel" luncheon Tuesday, December 6, at the school hall, 322 N. Baldwin Ave., Sierra Madre.

Opening promptly at 11 a.m. followed by the luncheon at 11:45 and continuing until 3 p.m., the boutique will reopen in the evening from 7 to 9 p.m. for those unable to attend during the daytime.

In addition to the traditional offerings of home-baked breads, Christmas cookies and candies, hand-made aprons, ornaments for the tree and decorative home accessories for the holiday season, this year's event will also offer elegant florentine flower wreaths, gold nut and pine cone trees, jeweled pictures and stocking stuffers. There will be gifts to delight every member of the family including handsewn potholders, novelty yardstick covers, handsome reindeer, golden angels, teenage laundry-bags, felt blackboards and jeweled boxes of every size, shape and variety together with sugared nuts, popcorn balls and other equally tasty treats.

Preparations begin a year in advance of the actual event according to Mrs. Roger Morehart and Mrs. George Throop, co-chairmen. Those who have met regularly during this period are Mrs. Frank Kromka, Mrs. Maurice Cordell, Mrs. C. C. Williamson, Mrs. Hilt on Bennett, Mrs. John Englert, Mrs. William Maloney, Mrs. George Hillman, Mrs. Robert Coughlan, Mrs. Edmund French, Mrs. Sterling Ripple and Mrs. W. Gerald Driscoll, guild president.

Others include Mrs. Manuel de la Torre, Mrs. Allen Burke, Mrs. Daniel Mang, Mrs. Thomas Marchine, Mrs. Robert Imus, Mrs. Charles Norman, Mrs. Roger L'Heureux, Mrs. Rodney Bunker, Mrs. Joseph Lavano, Mrs. T. Mankel, Mrs. Brian McGoldrick and Mrs. Jean Smalldon.

In addition to the local activities, a workshop has been conducted in the Thousand Oaks area under the leadership of Mrs. James Crossman and Mrs. Edwin Cavanagh, former parishioners now Conejo Valley residents. Mrs. Cavanagh was last year's Boutique Noel

M. McCullough Expert Qualifier

Army Specialist Fifth Class Michael G. McCullough, 20, son of Mrs. Georgia R. McCullough, 2206 Avenue D, Brownwood, Tex., qualified as expert in firing the M-14 rifle in Germany, November 1.

The expert rating is the highest mark a soldier can achieve in his rifle qualification test.

Spec. McCullough, a radio repairman in the 2nd Armored Cavalry Regiment's Aviation Company, entered on active duty in June, 1964, and was stationed at Ft. Knox, Ky., before arriving overseas in December 1964. The son of Victor G. McCullough, Sierra Madre, he is a 1964 graduate of Brownville (Texas) High School.

Then an old Manhattan college buddy of Mr. Grimes, Charlie Kovak and his wife Millie, who now live in Orange, will be guests with their five children, plus Jim and Julie Costello from Arcadia. Must present a bit of a drumstick problem!

Home Savings To Pay 3-Months To Withdrawal Date

Effective immediately Home Savings and Loan Association will pay interest to date of withdrawal on all accounts remaining in the association three months or longer. Howard Ahmanson, chairman of the nation's largest association, announced this week.

Previously, \$2.3 billion Home Savings had paid interest to date of withdrawal on funds remaining six months or longer.

The authority to pay the extra savings benefit on three-month accounts is contained in new regulations just issued by the California Savings and Loan Commission.

Sophomore Class To Stage Band Battle

Sophomore Class at Pasadena City College will present its second annual Battle of the Bands Wednesday, Nov. 23, in the Campus Center from 8 p.m. until midnight.

Six of the top bands of the PCC area, including The Domains, The Way of Life, and The Aldermen, will be playing—four in the upper lounge, two in the lower, according to Richard Longobardo of San Gabriel, Sophomore Class president. The top band will be selected by ticket vote of all who attend.

Admission is \$1 and proceeds will go to Sophomore Class activities. Refreshments will be served.

There will be a dance contest with a trophy for the winning couple. A free dinner for two at Genaro's Italian Restaurant in San Gabriel will also be awarded.

"We hope to top last year's '1300' attendance," stated Longobardo.

You and Your Neighbors ... At Thanksgiving

by Mary-Madeleine Lamphier

Like any set of parents of a teen in the PHS Marching Band, the Vern Fosters, 21 E. Orange Grove, will sort of recuperate for a quiet Thanksgiving, though their's won't be too quiet, since daughter Betty, her husband Jim Smith and their children Kimberley and Robin will be coming from Duarte. The Fosters are one of six couples who are PHS "band aides," which means these parents go along when the band is in a competition and spot the shoes and clothes and give last minute touches to hair so that band and drill teams will really shine.

— ☆ —
Mrs. Frances Miller, 18 Vista Circle Dr. will be going to Costa Mesa for Thanksgiving at the home of her son Russ, where she will get to see grandchildren Catherine, Russ and Craig, and also her daughter Robertleigh, now Mrs. King, who will join them there with her son Brian and his fiancée — they'll be having the wedding at the Episcopal Church in San Bernardino on December 4. Mrs. Miller not only keeps busy as treasurer of the American Legion Auxiliary,

but on December 20, her pet project, the Daughters of the Civil War (Lucresia Garfield Tent No. 19 of Pasadena) will be entertaining a ward at Sepulveda Hospital.

— ☆ —
An international visitor was here for a pre-Thanksgiving visit with Miss Eleanor Herzberg of 32 N. Lima: Miss Leslie Frederick, lecturer-teacher from England over here for six months of seeing the country and visiting former students, had once been her teacher in education. Miss Frederick visited the British Home while she was in Sierra Madre, and waxed enthusiastic about the special bus traveling she'd been doing on one of those 99 days for \$99 special passes.

— ☆ —
Louis Van Iersel, our big military hero, and his wife went off to LA on Veterans Day to participate in the doings at Exposition Park, where the medal-men all were asked to speak to the assembled crowd. They'll be having Thanksgiving dinner with their son John here, and his wife and children Alice and Johnny.

— ☆ —
Mrs. Convers L. Twycross, 123 S. Baldwin, will have a pleasantly large family gathering at her home for Thanksgiving. Guests will include son Richard who lives at home, son Randolph of Whittier, with his wife and family, Linda, Larry, Dale and Bonnie; Mrs. Charles Saunders and Miss Betty Saunders, also of Whittier, and from San Fernando Mr. and Mrs. Alfred Styerwalt and son Jim. Christmas will in turn be spent at her son's home, and then New Year's she will have a party here.

— ☆ —
No chance for the wife of a man with a broken leg to escape preparing Thanksgiving dinner at home, so that's where it will be for the Joe Grippis of 286 E. Laurel. Of course with daughter Linda and Marjorie and son Vincent there to help, maybe it won't be too arduous, and they are hoping La Vienne's mother, Mrs. Peggy Babbitt Wiley will be there, and was there ever a grandmother who didn't wind up lending a hand?

— ☆ —
Mr. and Mrs. Carl Gerke, 602 Mariposa, will have two groups of grandchildren gathered 'round the turkey. Daughter Marge will come from Stockton with her children, Hilary Jane, Carla and Kristine and daughter Carolyn Miller from Glendale with Terri Ellen, Charlene, Mark and Neal.

According To B of A Report

Californians Total More Distilled Spirits Consumed

Californians apparently aren't living up to their reputation as heavy drinkers, despite the fact that the state leads the nation in the total amount of liquor consumed, according to a special economics report prepared by Bank of America.

The total amount of distilled spirits consumed in California is the highest of any state in the nation, according to the bank's "Outlook for Distilled Spirits" report, but Californians rank only tenth among other states in per capita consumption.

The average Californian consumed only about 2 gallons of distilled spirits during 1965, well above the national average of 1.53 gallons, but not as much as Nevada, where heavy tourism may have helped account for the average 3.84 gallons; Alaska with 2.88 gallons; and New Hampshire with 2.86 gallons.

Nationally, the Bank of America report estimates that total consumption will increase to a record high of 310 million gallons, up five per cent from 1965's total of 293 million.

Most of this increase, however, will be from imported and "light" spirits, rather than the more traditional American whiskeys, the report points out.

Bourbons and blends, it estimates, will for the first time account for less than half of all distilled spirits consumed in the United States, a trend that started several years ago. An increasing share of the market will be taken over by imported Scotch and Canadian whiskey, and by "white" spirits: gin and vodka.

This trend, the report states, reflects the preferences of increasing numbers of youthful drinkers who seek a "light" taste in their liquor. In addition, it estimates, the large number of young, inexperienced drinkers is likely to bring about a sizeable increase in the sale of bottled cocktails.

Vodka, which was practically unknown in the United States 15 years ago, probably will overtake gin in popularity during 1966, the Bank of America report predicts.

Price changes also can be expected in many states,

Holiday Schedule For P.O.

Postmaster Guy Rossi announced today that Thursday, November 24, will be observed as a national legal holiday at all postal installations as well as at the Sierra Madre Post Office. The following instructions and schedules will be in effect on that day:

No window service will be provided. There will be no deliveries by the city carriers. Normal holiday lock-box service will be maintained. Special delivery service will be provided. Holiday schedules for the collection, receipt and dispatch of mail will be observed.

The normal post office operation will be resumed on Friday with window service and delivery of mail provided.

Letters to the Editor

Dr. Henry V. Witt
c/o Sierra Madre News
9 Kersting Court
Sierra Madre, Calif.

Dear Dr. Witt:

The Sierra Madre Public Library Board of Trustees wishes to thank you for your offer to place a copy of the textbook "Land of the Free" in the Library. Regrettably, we cannot accept this book for the following reasons:

The Library does not purchase (or accept as gifts) juvenile or adult textbooks, unless there are no other equally suitable books available on the same subject matter.

The Board does not believe that it is a proper function of the Sierra Madre Public Library to be a demonstration ground or exhibit area for controversial non-library materials. Since "Land of the Free" is an eighth grade textbook on a subject (general American history) which is abundantly covered by books other than text, it must be considered non-library material.

It should be added that "Land of the Free," along with all other State approved texts, was placed on public display for one month (April) at the Hastings Branch of the Pasadena Public Library. This was done at the request of Pasadena's Coordinator of Learning Materials, in accordance with the requirements of the California Education Code.

Your interest in the Sierra Madre Library is sincerely appreciated.

—EARL C. MORRIS
Chairman, Board of Trustees

The Ren Readers are looking forward to reunion at Thanksgiving with friends they've not seen for five years — Dr. and Mrs. Paul Donahue at Marina Del Rey where the Meaders will go with son Keith, student at Wilson, to have their dinner. Mostly they've been in "Home-work," since they moved into their new place at 3745 at the beginning of the fall and have kept busy ever since with it.

'Cleanup' For United

Volunteers of the 1966 United Crusade campaign's Business Division, headed by Carl Hobson, campaign chairman for Sierra Madre and Guy Rossi, Sierra Madre Business chairman, are currently conducting a "cleanup" campaign in the Sierra Madre area.

Hobson and Rossi said the Business Division workers are calling on all business firms which have not yet been contacted in the drive for funds for 244 United Way agencies and 11 Red Cross chapters.

Rossi, who listed a total of 101 per cent of goal at the Crusade's last report meeting, said, "Our Business Division volunteers have achieved their goal and then some, but we're still working, shooting for a new division record which will help push the Foothill Area United Crusade over the top by November 22, the official end of the 1966 campaign."

LEGAL NOTICE

NOTICE OF IMPROVEMENT

NOTICE IS HEREBY GIVEN, that at the regular meeting of the City Council of City of Sierra Madre, California, held November 8, 1966, the City Council of said City passed and adopted a resolution designated as Resolution No. 2265 declaring its intention to order certain lighting fixtures and appliances on, and on portions of the public streets and other public places in the City of Sierra Madre, all as shown on "Plans for the Formation of the Sierra Madre Consolidated Lighting District No. 1" hereinafter referred to, to be maintained and electric current to be furnished for lighting said fixtures and appliances for a period commencing January 1, 1967, and the lighting fixtures and appliances to be maintained and for which electric current is to be furnished are located on the streets within the City limits of the City of Sierra Madre.

It is the intention of the City Council of the City of Sierra Madre to form a Lighting District for the purpose of consolidating all existing lighting maintenance districts in the City of Sierra Madre into a single district, and to order improvements where and as required.

Said lights are to consist of 2500 Lumen, 4000 Lumen, 6000 Lumen, 10,000 Lumen and 20,000 Lumen electroliers mounted on wood poles, marbelite poles, or steel poles or standards, and same are to be lighted, all as contemplated and shown on the report of the City Engineer hereinafter referred to.

Reference is made to said Resolution No. 2265 and also to said Plans for full particulars as to the number, size and locations of the lamps and also to the report of the City Engineer of said City, hereinafter referred to, which was filed in the office of the City Clerk of said City on November 4, 1966, for further particulars as to said improvements.

NOTICE IS HEREBY FURTHER GIVEN that on November 4, 1966, the City Engineer of said City, filed with the Clerk of said City Council, a report dated November 4, 1966, to the City Council, which said report

LEGAL NOTICE

presents the following:

1. Plans and specifications of the proposed improvements.
2. An estimate of the cost of said improvement for the period of time specified in said Resolution of Intention and of the incidental expenses in connection therewith.
3. A diagram of the assessment district for said improvement and showing the exterior boundaries thereof.

4. A proposed annual assessment per \$100 of assessed value of land and improvements to be collected by the Tax Collector, all as required by law, as follows:

| | Initial | 18 months | 12 months |
|--------|--------------|-----------|-----------|
| Zone A |\$7.22c | | 74.68c |
| Zone B |41.83c | | 26.61c |
| Zone C |73.83c | | 33.02c |
| Zone D |43.73c | | 19.57c |

That the City Council of said City has elected to proceed in the said matter under the provisions of the "STREET LIGHTING ACT OF 1919" (NOW PART I OF DIVISION 14 OF THE STREETS AND HIGHWAYS CODE OF THE STATE OF CALIFORNIA), AS AMENDED, AND UNDER THE ALTERNATIVE PROCEDURE FOR INSTALLMENT ASSESSMENTS PROVIDED FOR IN CHAPTER 8.5 OF SAID "STREET LIGHTING ACT OF 1919."

NOTICE IS HEREBY FURTHER GIVEN that Tuesday, December 13, 1966, at the hour of 8:00 o'clock P.M. of said day, in the Council Chambers of the City Hall of said City, within said City, has been fixed and designated as the time and place for the hearing of protests or objections in relation to said proposed improvements. Any person interested, objecting to the proposed improvement or to the assessment therefor may file a written protest with the Clerk of said City at or before the time set for hearing of such protests, stating his objections thereto.

The said Assessment District is particularly described in said Resolution No. 2265, said Plans, and said report of said City Engineer, and are all on file in the office of the City Clerk of said City in the City Hall of said City, are open to public inspection and here-

You and Your

Neighbors

Mrs. Mary Wall of 153 Santa Anita Court has been visiting in Highland Park with old friend Mrs. Cabrel, and her daughter Gladys (Mrs. Richard Merriman) will be going to Las Vegas for a visit with her daughter Alice, now married to Bob Dambreau, and her 16-year-old grandson, Mark, so that should be a good Thanksgiving get-together.

Nelle and James Vieira, 587 Woodland Drive, will hold their annual Thanksgiving family dinner, with daughter Mrs. Virginia Christianson and daughter Mrs. Jean Altman and her children Bob, Linda and "Ginger." Monday Mrs. Vieira attended the luncheon in Pasadena of the Women's Auxiliary of the Fuller Theological Seminary.

There'll only be about 21 gathered at the table at the home of Mrs. Paul Lavrouhin, 542 W. Grand View, where her mother, Mrs. Jenny Lynn, also lives. These members of her mother's family have the right idea, a pot luck dinner, with home base providing the turkey. As grandmother Mrs. Lynn says, it's a short order house, anyway, because of all the activities of Tim and Tina. Tim plays in that honor-winning PHS Marching Band, is head of the drum section in it; his sister Tina plays French horn in both band and orchestra at Cal Poly, is drum majorette there, and goes in for winning blue ribbons as a horsewoman. Since Mrs. Lavrouhin goes to business, it must indeed be a short order house.

felt were non-conforming on the property.

A stop order that had been issued was withdrawn so that applicant could proceed with compliance.

Sierra Madre Wash

Sierra Madre Wash was next and after listening to the reading of the state act requiring review of right-of-way plans by the Planning Commission to review the proposed acquisition and submit a report thereon concerning how the proposed use and property relates to the general plan of the City.

Commissioner Poolman said that standing on a technicality, that the pur-

pose was not set forth and therefore he would reject any attempt at action on the Wash and the other commissioners agreed. Poolman also indicated that he would do his best to block any attempt to change the Wash at this time.

County Fire Station

The Planning Commission reversed the recommendation of the Fire Commission and refused approval to locating of the brush control fire station at the corner of Stonehouse and Grand View and suggested alternate sites be offered to the county to keep the fire station off this "prime property."

They suggested areas in the settling basin, an area near the Forest Service Station and possibly a portion of ground owned by the Arcadia Water Department.

When the agenda got down to the request by the City Council that the Planning Commission study the area on both sides of Windsor Lane and the south side of Montecito between Baldwin and Auburn to determine the long-range plans for this area, it was decided to hold the item over for further action.

A further study on the need for a Civic Center or rehabilitation of present facilities was held over to December 8.

The same holds true for work on the general plan for the city.

A request for a ruling on setback for three lots in the Sierra Madre Estates was prepared for action at the special and adjourned meeting set for December 8 at the Council Chambers.

Adult Schools To Open For Second Quarter

A new quarter will begin at the Franklin, Eagle Rock and Nightingale Adult Schools beginning Monday, November 21, advises William R. Warden, principal. Enrollment is now open for new students in all typing, shorthand, and bookkeeping classes as well as in the fine arts classes and vocational shop subjects.

Interested students may register in all classes meeting two evenings per week and receive beginning instruction and five semester periods of high school credit.

Enrollment in every adult class is continuous throughout the year, but the quarter registration period does provide new students with the opportunity to enroll at mid-semester and complete half of the regular program of instruction. Trained counselors are on duty each evening of the week between 6:30 and 9:30 p.m. to assist students with their program of studies.

For students who are enrolling for high school credit, there is no tuition charge.

For further information or for a schedule of classes, call at Franklin Adult School, 820 North Avenue 54, any week day between 1 and 10 p.m., or telephone 256-2144.

No Excuse For Not Paying Tax

You may be one of the 50,000 taxpayers who have not received your tax bill either because there was no mailing address in the files of the Tax Collector, or because the bill was returned undelivered by the Post Office.

On November 1, 1966, Harold J. Ostly, Tax Collector, mailed 1,410,764 tax bills to Los Angeles County property owners. If you did not receive your tax bill, notify the Tax Collector immediately so as to provide yourself sufficient time to avoid a late payment and penalty. Late requests may not be filled in time to prevent the addition of a penalty.

To obtain a tax bill, you will need your legal or deed description. You may call MADison 6-6311, or write to Harold J. Ostly, Tax Collector, 225 N. Hill St., Los Angeles, 90012, or go to Room 130, Hall of Administration, 225 N. Hill St., in Los Angeles.

If your taxes are paid by a loan company or bank, it is not necessary for you to request a bill from the Tax Collector.

Failure to receive or request a tax bill does not excuse the property owner of payment of penalty if the taxes become delinquent.

The Tax Collector's Office has already had many people paying their taxes in person. To avoid waiting in line to pay your taxes and to save yourself transportation expense, mail your payment to the Tax Collector.

Court, McNulty Tract.

Now looking on your recently received Tax Statement you can easily tell what you will be obligated to pay. Find the value of your land; if the value of the land is \$5,000 then the tax that you will pay for the first 18-months will be 50x 73.83 cents for a total of \$36.91. The next 12 months the tax would be \$16.51.

At the hearing the Council will receive all "For" or "Against" arguments, both oral or written, but are not required by law to recognize any of them and can by their own choice overrule all objections both written and oral and order the Zones formed.

Unlike a Sewer District, a lighting district does not take the vote of the people or their desires into consideration.

If the entire city was formed as a district, then the equality of the move could be justified, but with such tracts as Lilliano without any lights whatsoever, and other areas in bad need of lighting and standards, the movement against the areas above seems to be placing the heavy load on the new homeowner who is now trying desperately to landscape and get their homes and tracts up to par, without the payment of lighting assessments.

Many of these home buyers were told upon purchase of their home that the lights, sewers and utilities were in and paid for, only to find that they are now going to have to pay several dollars a year on the street lighting bill. There could be a move on the part of the homeowner to ask that all his lighting be reduced to the minimum, which would of course reduce the lighting of a good many streets of the area and cause extra police work and lean heavily toward vandalism.

Two Police Cars Bought

Bids for two new 1967 police cars were opened and out of a total of five bids it was found that Wegge Motors of Pasadena was the low bidder at a total cost of \$2,292.67, the bid being less the trade-in value of the present cars, and a budgeted item.

By motion of the Council the bids were let to Wegge Motors. Other bids ranged from the low to a high of \$3,959.

Youth Center Is Not A Dead Issue

teenagers queried, to meet their recreation needs, were several youths one of whom voiced the question, "What of males from 16 to 20?"

Upshot of a somewhat querulous discussion between the commission and the audience was that for the audience and new members of the commission, the potential uses for teen-agers of the proposed new building were clarified by exhibit of the actual plan drawings and an explanation of them by Dick Dodge.

In referring the matter back once more to the facilities committee, no mention was made of the possibility of checking into new developments in the use of movable partitions, or of consulting with recognized outside youth authorities re proper teen needs.

However, there was talk of lengthening the main room, and it could be hoped that further careful consideration will be given to shaping plans which truly meet the needs of all the varied age groups expected to use the new building, and to adequately anticipate the projected population growth.

When one commissioner, early in the discussion of this matter, said disconsolately that the youth building seemed pretty dead indeed, revived hope was stirred by a statement by Jan Maddox that it certainly

could be again presented to the Council, with alternatives on ways to finance it (a loan from the city, repayable in 7 years, to bring the existing budget funds of \$14,000 up to the \$42,000 estimated for the proposed building has frequently been mentioned).

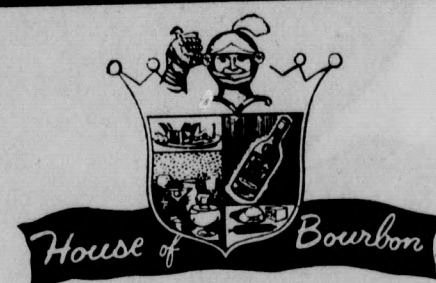

She added a comment to the effect that some fresh ideas could help to sell its need. The shock of hearing again that the cherished plans might not meet approval from all users, even if this is eventually refuted, should certainly stir up some "fresh" sales arguments, at least if the fervor of the meeting is any criterion.

So, of course, may the current business figures in Sierra Madre and the recent front page reports of teen riots elsewhere in neighboring areas.

Bid Selected

Bids were received for a one-half and three-quarter ton truck and when opened found that out of three bids the Champion Chevrolet Company of Pasadena was the low bidder for the two trucks at a price of \$4,468.38.

This was a budgeted item, however the bid was \$18.38 over the budget. High bid was \$5,023.20, and by motion the council awarded the bid to Champion Chevrolet.

Health and Progress

It is no coincidence that the words "whole," "heal," "hale" and "health" all sound alike. The Anglo-Saxon peoples believed that a "healthy" man is a "whole" man who has full control of the faculties of the body and mind. In similar fashion, we call something "wholesome" if it is healthful or a good influence.

Our astronauts must be whole and healthy men. Every time you watch a space vehicle launch on TV, you know that some of your tax dollars made this progress possible. You may not realize that another type of progress is also financed by you. This progress: new drug research, to discover drugs which lengthen life, relieve pain, or prevent disease. Tax dollars didn't pay for this progress. Instead, 98 per cent of the drug industry's research bill is self financed. The cost of progress is built into prescription prices, so in a real way, you benefit, SO PLAY IT SAFE.....

The phrase "Doctor knows best" is a truism which we all remember from childhood. Yet, in this day, with all its sophistication and enlightenment some people attempt to diagnose and treat their own illnesses — a dangerous and unsafe practice to say the least. Only your physician is qualified to diagnose and prescribe. When there is sickness, see him. Play it safe with your health. When medication is required, our prescription department is fully equipped, ready and happy to serve you.

HAPPY THANKSGIVING.

Pamper Your Personal Prosperity with Growth Vitamin \$

Every drop of water, every bit of fertilizer that you put on a growing plant is returned to you in value . . . increased many times.

And every dollar spent at home instead of in some other community . . . promotes the growth and luxuriance of your own little personal prosperity tree.

We don't expect the neighbors to water and weed and fertilize our gardens so that we won't have to put out any effort on them. But a lot of us expect somebody else to do all of the trad-

ing at home that it takes to support and improve our jobs, our businesses, our schools and churches and other community helps to a richer life.

Trouble is . . . a lot of them are looking for us to keep the ball rolling while THEY go city-shopping.

Let's . . . every one of us . . . remember that loyalty to our home community is merely loyalty to our own economic welfare . . . that scattering our buying power leaves our own personal prosperity plant with less nourishment.

It Pays to Buy Where You Live

These firms are genuinely interested in the future of our Community and your welfare . . . patronize them

No symbols can echo love more eloquently than matched ArtCarved diamond wedding bands. A tradition of unequalled design and unmatched workmanship since 1850 is behind today's ArtCarved collection. Magnificent diamonds are imaginatively grouped and set off against the soft elegance of textured florentines, bold sculptures, traditional symmetry or striking design-combinations. And combining form with function, ArtCarved "segment" bands are gracefully tapered in the back to provide a perfect more comfortable fit. For your double ring ceremony, choose an incomparable set of ArtCarved diamond wedding rings from our complete collection.

Editorially Speaking . . .

Thanksgiving

When we look about us, oh Lord, and see the bloody flood of war . . . the dark and frightening storms of hatred . . . the poverty that rots the granaries of plenty . . . the discontent, the aimless protest . . . we see little for which to thank ourselves.

But if we lift our eyes we see above the flood the bravery . . . within the darkest cloud the spark of hope and love . . . amidst the poverty the generosity . . . alongside the discontent the yearning for the truth, the reality . . . and we know how deeply have we cause to offer thanks to Thee.

All that has been good, all this is good, all that shall be good stems from Thy love. And may our thanks come in the form of opening our hearts to our fellow men, as Thou hast asked us. For as we open them we will make more room therein for Thee.

Smear Doesn't Pay!

California is number one in population, scenery, crime, wine — and publicity value.

But this being so, paradoxically, California's political fortunes are still being controlled by the big-shot opinion leaders of the Eastern seaboard.

Consider the just concluded battle for the California governorship.

One of the major issues that contributed to the doing in of incumbent Governor Brown was the high-jinks at the University of California at Berkeley. It was great fun, and great copy, but someplace along the line, a considerable number of taxpayers who pay for the University's support decided they were tired of the new concept that the inmates should run the institution.

The administration, not being utterly stupid, finally sensed this, and put out the word to cool it, baby. And the p.r. machines cranked out the message that nothing went on in Berkeley that wasn't happening in every large university in the country.

But by this time, the UC Berkeley story had been featured in every national magazine — Look, Life, Time, Esquire, Atlantic, Harpers, you name it — as the place where the New Left action centered. Californians, reading all the national publicity, believed the Eastern writers, not the Berkeley apologists.

Another example, even more significant, was the decision of the Brown high command, prior to the primary election, that George Christopher would be the tough man to beat in November, rather than Ronald Reagan. So, the world went out to national columnist Drew Pearson to lower the boom on Christopher.

Presumably the Pearson smear of the former San Francisco Mayor, reshaping a thirty-year old run-in with law over milk control legislation, cost Christopher a few votes, particularly in southern California. But it did two other things, with devastating effect on the Brown campaign:

First, it shattered the Governor's greatest asset, his "good guy" image, revealing him as a tough, hard-nosed politician. Second, it made it remarkably easy for Christopher's supporters to join the Reagan camp after the primary.

And when the second shoe of the grand strategy was dropped: when the Brown campaigners set out to destroy Reagan as a right-wing extremist, nobody believed them, because here were all those moderate, Rockefeller-type Republicans, solidly backing the Reagan campaign effort.

A lot of forces contributed to the Reagan victory, but none more effectively than the Eastern Liberal Establishment, with Drew Pearson leading the pack.

Summary!

The strong Republican surge across the country in the recent election has focused the national spotlight on California and Michigan for 1968.

Governor-elect Ronald Reagan's impressive showing in California and Governor George Romney's tremendous showing in Michigan are of particular significance at the outset of the 1968 presidential election. The healthy Republican gains in winning governorships and in narrowing the Democratic majorities in the United States Senate and House of Representatives mean that President Lyndon Johnson's days of easy sailing are over.

The probable GOP presidential forerunner off the elections is Michigan's Governor Romney. Romney not only piled up a huge majority himself, but the Republicans picked up five Michigan congressional seats, as well.

Significantly, Senator Robert P. Griffin, author of the Landrum-Griffin act, ran an extremely impressive race in trouncing former Michigan Governor G. Mennen Williams, emerging with slightly better than 56 per cent of the vote. Obviously helped by Romney, the youthful, vigorous Griffin clearly out-campaigned Williams with a strong individual campaign which undoubtedly proved an asset in the Michigan sweep, and was not just a coattail riding venture.

Romney thus is in an excellent spot to try to mobilize for the presidential try should he desire. Backstopped by able Lt. Governor Bill Milliken, Romney's flanks are protected in Michigan and Washington.

It should not go unnoticed, either, that Romney was on the telephone the morning after election talking to California's Reagan, New York's Nelson Rockefeller, and Illinois Senator-elect Charles Percy — extending his congratulations and drumming up GOP unity.

It is a long time yet to the presidential conventions, but the election returns clearly have made the 1968 presidential campaign a much more exciting prospect for the voters. Certainly the GOP has reason to be encouraged that it can make better than a perfunctory run in '68. It has a strong chance of capturing the White House as the race starts.

This is the way it looks in November of 1966, at any rate. How it looks in November of 1967 remains to be seen.

In the later part of 1964, President Johnson first spoke of his intent to "build new bridges to Western Europe." In other words, the President was serving notice on the American people that his administration was going to expand trade with Communist countries.

Congressman Glen Lipscomb (R., Calif.) in pointing out the folly of trading with the enemy, recently remarked: "According to the administration's 'bridge builders,' there is no harm in increasing the export of commodities and data to the Communist bloc. Everything sold to the bloc is labeled as 'peaceful.'"

In this writer's opinion, the "peaceful" label could be scratched out or, perhaps, even removed by the time the machinery and tools, or in turn, what these machines and tools can produce, arrive in Halpang! A new label would appear marked, "death for American soldiers in Vietnam!" Many Americans, including mothers of draft-age boys, do not take kindly to the President's build-up of military personnel in Southeast Asia while, at the same time, indulging himself in the hanky-panky game of switching labels (—or shall we call it "building bridges" for the benefit of the enemy?)

Congressman Glen P. Lipscomb recently asked the question: "Does the administration really expect that the American people should, through the use of their tax money, finance the sale of a automotive manufacturing equipment shipped to Communist U. S. S. R. from the United States which could be used to produce vehicles for Communist aggression such as in Vietnam and elsewhere now and in the future?"

Continues the Congressman, "It had long been rumored that the agreement by the Fiat Automobile Co. of Italy to construct a large automobile factory in the Soviet Union, which became publicly known early in May of this year, really hinged on a secret agreement of officials of the U. S. Government that we would authorize shipment of machine tools from the United States for use in this plant. This has now been confirmed."

The October 1st issue of Forbes magazine tells us: "Not Many People Want to Talk About It, but the Fact Is that U. S. Industry Has a Major Role in the Soviet Union's Plans for a Vast New Automobile Industry. Three-quarters of the machinery that Fiat installs for the Russians will come from the U. S. . . . It will really be the U. S. that puts the Russians on wheels." The magazine article further states that "this arrangement has the approval of both the State Department and the Department of Commerce."

On last September 16th the Commerce Department reportedly issued a license authorizing shipment to Moscow, U.S.S.R., of 62 gear manufacturing machines and parts valued at \$2,832,015. This equipment is to be used to produce complete gear sets for the main drive and differential of the Moskvitch model 408 automobile.

In a recently reported radio dispatch from Hanoi, a Soviet reporter gave this informative newscast to the Soviet people: "The port of Haiphong is working at full capacity. Enormous ocean-going vessels are by the wharves. For several blocks around the port one sees on every street neat crates shining with fresh paint, TRUCKS and CARS made by SOVIET and CZECHOSLOVAC works. All this cargo has come mainly from the SOVIET UNION and other SOCIALIST (Communist) countries."

Let's close this week's column with the "bridge builder's special." On last June 3rd the Commerce Department issued a license authorizing selling to U.S. S.R. of technical data to design and construct a glycerol plant capable of producing 24,000 metric tons of glycerol per year. And what is a major use of glycerol? It is a necessary ingredient in

You and Your Neighbors . . . At Thanksgiving

Mr. and Mrs. Brady of 1751 Rodeo Rd. will have Thanksgiving at home; in addition to their own children Philip, Patricia and Chris, still talking, no doubt, of that six weeks trip to Europe last summer, they will have as guests Mr. and Mrs. Lawrence White from Ventura, with their children Kathleen and Anne.

Modern in trend and abundant in family are the Harry Langes. They will gather the clan at Eaton's for Thanksgiving, and the festivities will include Mr. and Mrs. Arthur Lange, with Judy and Marty, Mrs. Emelia Bernard, Mr. and Mrs. Hal Petz, Mr. and Mrs. Douglas Delahooke, with Todd, Scott and Craig. Following custom, the Langes will make this the alternate year to visit daughter Joyce at Christmas who lives with husband Ronald Westerman in Sacramento, and they'll get to check the growth of grandchildren Eric and Lisa, the twins, and Sara. So the Langes are a touch serene about happy holidays ahead.
